

Instructions for your Doorway Puppet Show:

All Seams are 1/2 in. unless otherwise noted

- 1) Cut out all your pattern pieces
- 2) Hem your curtains with a 1 in. double turned hem along each side and stitch. Overlap the top of your curtains by 4 in. and baste the overlap. Pin one ribbon to each outer edge of curtains about half way and top-stitch in place.
- 3) Hem the valance with a 1/2 in. double turn hem and stitch. Mark the center of the valance and add a 1 in. box pleat on either side of the center mark. Baste in place
- 4) Pin right side of your top valance to the wrong side of your curtains and stitch together. Iron seam open.
- 5) Flip valance over and iron seam. Stitch 1 in away from seam for rod pocket.
- 6) Hem valance and curtains with 1/2 in. double turn or serge.
- 7) Hem bottom curtain and bottom valance with 1/2 in. double turn hem on sides and bottom edges and stitch. Add any appliques to bottom valance now.
- 8) Pin right side of bottom valance to the wrong side of the bottom curtain and stitch together. Press seam open.
- 9) Flip valance over so right side lays on top of right side and press. Stitch 1 in. away from seam across the top to create rod pocket.
- 9) Insert tension rods and hang in your doorway and insert puppets. Have Fun.

Materials:

1/2 yd of valance material (quilting cotton works great)

1 yd of curtain material (you can use a store bought curtain panel and save some hemming)

Two 24 in lengths of ribbon

Two 32" tension rods

Pattern pieces (w x h)

Curtains: (Cut 2) 22 in x 28 in

Valances: (Cut 2) 34 in x 8 in

Bottom Curtain: (Cut 1) 34 in x 20 in
